Getting to know the OCCC Library
Success in College and Life

We are all faced with an abundance of information every day—at school, work, and in our personal lives. The OCCC Library wants you to be information literate—to not only recognize when information is needed, but to be able to locate, evaluate, and use that information effectively.

The OCCC Library has several resources available to you to use as OCCC students.

Start with the Library website:  www.occc.edu/Library

You can do research anywhere, 24/7.
Use your MineOnline/Moodle username and password when prompted.

Find books, eBooks, online films, and more with the OCCC Library Catalog
Use OCCC Library Catalog under Find, select Books

Get scholarly journal and magazine articles online
Use Journal & Magazine Articles under Find, select Articles. Select EBSCOhost, then select a relevant database (or start with MasterFILE Premier).

Print from Library computers
Each semester $10.00 is added to your Library print account. Prints are $.10 per page.

Textbooks!
Many, but not all, current textbooks are available for in-library use. Ask for them at the Circulation Desk.

Need a book or article that we don’t own?
Use Interlibrary Loan.  http://libguides.occc.edu/about/interlibraryloan
